

# Manage Employees and Equipment Resource Entries through Crew Time Sheet Solution

## Submit Employee and Equipment Time to Projects and Work Orders from your Mobile Device

Enter time for any size crew along with equipment and apply hours against projects at the task level. Resources can be setup for employees and equipment to charge job tasks with variable loaded rates.

### Access from anywhere

ProjectPro is an integrated and cloud-based platform that provides easy access to manage timesheets for your employees.

### A single solution

Integrate your payroll system with ProjectPro and get all the information of your labor at a single platform without any hassle.

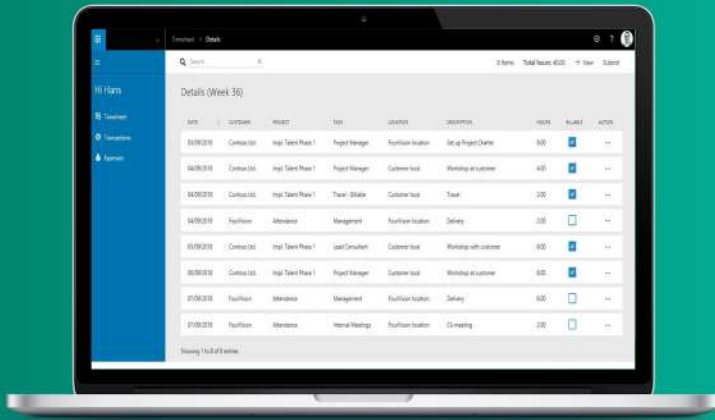

### Accurate employee data

Stay assured that all your employee data is secured and accurate. ProjectPro automatically keeps track of jobs assigned to the employees.

## Benefit from Flexible Labor Management with Projectpro

Keep Record of Employee and Equipment Hours and Rates to Submit for Approval and Posting to Jobs or Hold for Payroll Processing.

The users have the ability to enter their individual time sheets. Or, enter many workers through Crew Time Sheets for the day or the week. Moreover, the Rates tables can be used for variable skill rates for resources.

## Benefits of Timesheets

Real-time monitoring and tracking of employees using this innovative platform.

With daily timesheet maintenance, payroll processing has become streamlined.

A construction business owner can create and schedule resource time.

These daily timesheets by ProjectPro offer accurate data with the power of Microsoft Dynamics Business Central.

When you have well-maintained daily timesheets, forecasting resource requirements becomes easy.

Configure rates tables in a way that associates a cost with a resource efficiently.

We've been using ProjectPro for over ten (10) years now and it has helped us to manage our jobs and accounting operations from two locations and still all within one database. We have been able to keep our project costs current and generate our job billings timely.
